ToxBank Data Warehouse

Overview

A tutorial on ToxBank Data Warehouse Overview. Tutorial by Dr. Glenn J. Myatt, Chief Scientific Officer, Leadscope, Inc.

The following tutorial provides an overview of the [ToxBank data warehouse](#), outlining how to upload data, protocols and other documents and share this information with the cluster. It also outlines how to set up an email alert related to a topic of interest.

All information in the warehouse is searchable using a text search, a keyword search, a chemical structure search (exact, substructure and similarity) as well as a biomaterial search. Any documents and data can be downloaded and used.
